

Your Health Idaho Enrollment Update

BOISE, Idaho – Since Open Enrollment began on November 1, over 93,000 Idahoans have selected a health insurance plan for 2016 through Your Health Idaho. Approximately 86,000 Idahoans are currently enrolled for 2015 coverage.

“We are pleased to see an increase in enrollments at this half-way mark,” said Your Health Idaho executive director, Pat Kelly. “This demonstrates there is a continued need for access to affordable healthcare in Idaho. The good news is that Idahoans who remain uninsured still have until January 31 to enroll for health and dental coverage. But we encourage people to act now.” Idahoans who complete an application between now and January 31 will have coverage as early as February.
